# WELCOME

## **Welcome to Truro Learning Academy on behalf of the pupils, staff and governors.**

At our school, all children are valued as individuals whilst being encouraged to learn and grow together, building your child's confidence in a safe, exciting and happy environment.

Our aim is to promote a positive attitude towards learning, working and respecting each other, enabling your child to achieve their full potential.

We are committed to encouraging and developing high standards of numeracy, oracy and literacy in a well-balanced and broad curriculum.

We work closely with Mount Hawke Academy and are members of the Aspire Academy Trust. We are all very proud of the children that attend the school and I am extremely proud of all our staff that work here and the amazing job they do every day.

We work closely with parents and offer an open door policy. Your support is always greatly appreciated in this important aspect of your child's life.

Making our school, a wonderful asset to the local community.
