**Introduction**

As part of a new primary National Curriculum, taking effect from September 2014, learning a MFL has become a requirement for children within KS2.

**Aims**

We aim to develop children's experience of language acquisition and encourage curiosity about languages. To develop their understanding of what they hear and read, and have an ability to express themselves in speech and writing. Extend their knowledge of how language works and explore differences between Spanish and English. And strengthen their sense of identity through learning about culture in Hispanic and Francophone countries and comparing it with their own culture.

**Teaching and Learning Overview**

Teaching is in line with the recommendations of the National Curriculum, with modifications in place which allow for the individual and differentiated needs of the children. It takes full account of the different experiences, strengths and interests of the children whilst also complying with the requirements and guidance on inclusion

*The national curriculum for languages aims to ensure that all pupils:*

- *understand and respond to spoken and written language from a variety of authentic sources*
- *speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation*
- *can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt*
- *discover and develop an appreciation of a range of writing in the language studied.*

## Organisation

Spanish is taught in a whole-class setting, by the class teacher or language specialist. Teachers plan together using suggested teaching ideas based on QCA 2007 scheme for Spanish. The lessons are designed to motivate children from the first moment and are mainly practical in focus. They have clear, achievable objectives and incorporate different learning styles. SEN children have access to the curriculum through variation of task, grouping or support from an adult. Each class has a timetabled lesson of at least thirty minutes per week. Spanish can also be revisited in short sessions throughout the week to consolidate knowledge and ensure new language is retained. Spanish lessons provide a variety of sources to model the language, use games and songs to maximise enjoyment and make as many connections to real life situations as possible. Lessons focus on speaking and listening. However, when appropriate, children record written work informally in books which are passed through the years and become a portfolio of their learning. This then will be passed on the secondary school. Spanish is also offered as part of an extra curricula club on a Friday.

Below is an outline of the coverage within KS2.

KS1 are still taught Spanish but on a more informal basis.

## Resources

The OCA scheme and supporting materials for each year group are kept in the Pentire Classroom.

Efforts to establish links with native Spanish speakers and the local secondary school MFL department are continuing as well as the possibility of an international link in the near future.

**Assessment and record keeping**

Informal assessment of progress will be made by the language provider during lessons through questioning and oral feedback. The Subject Leader monitors the effectiveness of the procedures implemented.

**Monitoring and evaluation**

The MFL Subject leader monitors planning and delivery on a termly basis. Findings are shared with the SLT and the MFL SEF is updated as appropriate.
