First Aid

The academy has assessed the need for first aid provision and has identified that all Teaching Assistants are fully qualified first aiders holding the First Aid at Work Certificate or Appointed Persons Certificate or attended First Aid for Children Course.

Coordinator

The first aid coordinator (named in Appendix 1) is responsible for overseeing the arrangements for first aid within the academy. Their duties include ensuring:-

All staff and children who suffer from allergies will be recorded in the medical conditions annual audit with treatments specified. Emergency actions for severe cases will be posted on the notice board in the staffroom, all relevant training taken by staff, and all staff expected to be familiar with procedures. Parent/carers of children new into the school will have to disclose all relevant medical needs of their child.

Treatment of Injuries

The Academy will rely on the knowledge and experience of its trained first aiders in order to administer appropriate treatment to injured persons.

In emergency situations, the first aider will call (or will instruct another member of staff to call) 999 and request that an ambulance and paramedics attend.

Where there is any doubt about the appropriate course of action, the first aider will be expected to consult with the Health Service helpline:-

NHS DIRECT 0845 4647

and, in the case of pupil injuries, with the parents or legal guardians.

Suspected Head, Neck & Spinal Injuries to Pupils

In the event of a suspected head, neck or spinal injury to a pupil it is the policy of this academy, in addition to the normal first aid procedures, that the pupil's parent/guardian is contacted and informed of the injury.

The attending first aider, in consultation with the parent/guardian, will decide the appropriate course of action in each case. The first aider will ensure that treatment is not delayed by difficulties in contacting the parent/guardian.

In any case where there is any doubt about the pupil's wellbeing, the first aider is expected to contact NHS Direct for advice or 'phone for an ambulance as appropriate.

Other Significant Injuries

Any other serious injury will be notified to the parents/legal guardian by the quickest means possible (normally by phone).

This academy will dispense medication which has been prescribed by a medical practitioner with written instructions for its use if a member of staff is happy to do so. All antibiotics (or other prescriptions that need to be kept cool) **MUST** be dispensed by the parent/carer and cannot be stored at school.

This academy will dispense non-prescription medication to pupils only if it supplied by a parent or guardian with written instructions for its use and a member of staff is happy to carry the task out. We reserve the right not to dispense medicines if we feel it inappropriate or unsafe.

The Academy does not keep any other medication.
