Reading - Thank you to parents and carers who have made a massive effort in increasing the number of times they read with their child each week. This week our year 6 children have been writing letters about the importance of reading and what reading means to them. Every child at TLA will receive one of these letters to take home, we hope you enjoy sharing them with your child. A reminder that home reading is expected at least 5 times a week and is an integral part of the child's development. In order to have strong communication between teachers and parents/carers, please continue to write in your child's reading record each night and make sure children bring their book bags into school each day. Thank you for your continued support with this.

Teacher/Parent Consultations - We will be holding parent/guardian consultations the week commencing Monday 14th March. These will be held face to face at school and are a great chance to come in and view your child's progress. More information on dates and times will follow and bookings will be made on Arbor.

Comic Relief - We will be supporting Comic Relief day on Friday 18th March. Please can children come dressed to school wearing something red. Suggested donations of £1 can be made in cash or via ParentPay. If you would like to donate via ParentPay please follow the link.

Educational programme for parents - We have some exciting news to share with you: Mrs Masters, our Pastoral and Learning Support Mentor has become a SPACE facilitator (supporting parents and children emotionally). We as a school understand the daily challenges we all face when supporting children emotionally. Therefore we will be running a free educational programme to equip you with the tools and different ideas which will hopefully enable you to support your children. If you are interested please join Mrs Masters on Wednesday 4th May at 2:30pm who will be holding a coffee and cake afternoon to explain more.

War in Ukraine—We know that many of you will be worried about the news at present, and perhaps your children may have seen the news or may be worried about it too. Here in school we plan to support children's understanding of the war in an age-appropriate and sensitive way in the coming weeks. If you have any concerns about this please speak to Mrs Humberstone or Mrs Masters on the school gates. If you are wanting to find a way to help, Aspire have set up a JustGiving page to donate to UNICEF <https://www.justgiving.com/aspire-ukraine>

Polite Reminder - Please remember smoking is prohibited anywhere on or near the school premises, including outside the gates. Please help us to keep our local area smoke free for the health and safety of the children and families at TLA.
