

Year 5

This Topic is called Beast Creator.
We will be exploring a range of subjects through this topic with a real focus on science.

DT

Making bug hotels to put in the school grounds to encourage more minibeasts.

- use research to inform the design of functional, appealing products that are fit for purpose
- use a wider range of tools and equipment to perform practical tasks accurately

Science

- Living Things and Their Habitats – describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird.
- Working Scientifically – fair testing using choice chambers to investigate which habitat woodlice prefer.

Maths

We will recapping our understanding of the four operations from Year 4 and then moving on to learn about decimals.

Beast Creator

RE

We will explore what it means for Christians to believe that God is holy and loving. We will also be visiting our local cathedral to see a Christian place of worship.

Literacy

- We will learn part of the story of James and the Giant Peach and write our own versions.
- We will write non-chronological reports about invented creatures using our knowledge of different animal groups and habitats.

Computing

We will be creating E-books on Book Creator to present our non-chronological reports about animals and make our stories into books.

PSHE

We will be learning about what it means to be a citizen in our world through the Jigsaw topic – Being Me.
