▲ Meat ▼ Veggie ● Jacket Potato

Reading - At Truro Learning Academy we want our children to learn not just the reading skills but also the enjoyment of literature, enabling children to become lifelong, confident readers. Home reading is expected at least 5 times a week and is an integral part of the child's development. In order to have strong communication between teachers and parents/carers, please continue to write in your child's reading record each night and make sure children bring their book bags into school each day. Thank you for your continued support with this

Road Safety - Please remember that the the car park is not to be used unless you have a permit issued by the school. School drop off times are incredibly busy at the moment with the amount of cars using the road into the school. Please can we ask all parents and carers to be considerate of the residents and pedestrians on the roads around the school. Also a reminder that you are able to use the car park at the County Arms to park to reduce traffic around the school site.

Safer Internet Day 2022 | **Tuesday 8 February**

Coordinated by the UK Safer Internet Centre

saferinternetday.org.uk

Safer Internet Day - To celebrate Safer Internet Day 2022, our year 6 computer representatives created a presentation for children throughout the school. They gave information and tips on how to stay safe whilst online

St Piran's Day Menu - To help celebrate St Piran's day our caterer, Aspens, are going to do the children a special Cornish themed lunch on Thursday 3rd March. This will be a change from the normal menu for that day.

Clubs - We will be refreshing our clubs after half term. Please keep an eye out on Arbor to book your child in.

Sport Update - Over recent weeks our year 5/6 boys and girls footballers have participated in matches against Mount Hawke Academy and Tregolls. All fixtures were played in a great spirit with fantastic performances throughout. Our girls had a fantastic time taking part in a girls football festival at Penryn College, where they had the opportunity to play against 5 other schools from across West Cornwall. Today some of our year 2 children had an amazing time participating in a KS1 multi-skills festival at Penryn College. The children had the opportunity to develop their fundamental movement and throwing and catching skills through lots of games and fun.

February 18th - Inset Day

February 21st –February 25th - Half term

February 28th - Children back to school after half term

Self-Care & Mental Health
